Boost your FICO score with our Authorized User Trade lines program!

Reach your full potential - add positive history to your credit report. "Imagine what \$100,000 in available credit and 40 years of perfect payment history would do to your score!" We add your name as an Authorized User (AU) on one of our high limit, low balance credit cards with a long and perfect payment history.

Make sure that you do not have any alerts on all three credit bureaus. If you have an alert go to <http://creditrepairco.net/faqs/> and learn how to remove them.

We do not guarantee that the line will stay on Transunion. All AU lines will stay on Experian and Equifax for 6-12 months except CITI card (30 days on Experian)

Time frame: Line will post in 15-45 days after statement date.
